14 Gheorghe Lazăr street, Timișoara, Timiș county
Phone/Fax: +40 256 491 981; +40 256 491 923
E-mail: office@adrvest.ro
Contact person: Ms. Roxana Meszaros, +40 744780848

2. Ad type: Direct purchase

The procurement is made according to the provisions of article 7 paragraph 7 letter a), Law no. 98/2016 regarding public procurement, with subsequent additions and amendments.

3. Subject of the contract:

Services of technical expertise for innovation and technological transfer regarding the implementation of the European Battery Academy (EBAA) in Romania

4. Type of contract: Service contract – Services of technical expertise

5. CPV Classification:

71319000-7 - Expertise services
71356200-0 - Technical support services

Type of services: technical expertise services

6. Description of services:

The project regarding the implementation of the European Battery Academy (EBAA) in Romania responds to identified strategic needs identified in the West Regional Programme and to the objectives:

- a) Skills development for smart specialisation, industrial transition and entrepreneurship;
- b) Improve equal access to quality and inclusive services in education, training and lifelong learning by developing accessible infrastructure, including promoting resilience for distance and online education and training.

The objective of the project is to increase the competitiveness of West Region, Romania, at European level, by implementing an educational curriculum for the training and re-education of the personnel necessary to accelerate the battery value chain in the region.

The activities to be carried out aim at:

- a) Implementation of a battery-powered curriculum in the technical education units, starting with the school year 2022, by using the accumulation of optional hours. The action involves the

transfer of knowledge and the training of teachers and students from 2-4 high schools in the West Region, of which at least 1 in Hunedoara County.

b) Improving the technical, managerial, entrepreneurial skills of SMEs and other companies in the field of batteries.

7. Implementation framework or duration of the contract: to be determined by both sides at the moment of signing the contract.

8. Estimated value without VAT: 250.000 lei without VAT (the equivalent of 50.000 Euro without VAT)

9. Method for submitting the contracting intention: economic operators will send the contracting intention to the following e-mail address djad@adrvest.ro.
The document/the documents will be signed by the legal representative(s) of the economic operator or by the person who is empowered to do so.

10. Conclusion of the contract:

The contracting authority will analyse the document/ the documents forwarded and will conclude the contract with the economic operators whose services correspond to the requested activities.
